OUR CORE VALUES

TRANSPARENCY

RESPECT FOR ALL

COMMITTED

TEAM WORK

CONTINUOUS LEARNING AND UPGRADATION

MESSAGE FROM HON. CHAIRMAN

Dear students teachers and parents, Happy New year! What do love, happiness, fear, affection, hate, shame, disgust, surprise, sadness and anger have in common. These are the emotions that directly affect your day to day life. Success at the workplace depends on your level of intelligence.

So recognizing and identifying emotions is a prerequisite for developing emotional intelligence we all experience emotions to recognize them it is difficult people who can identify and recognize their emotions have higher level of emotional intelligence.

To identify the emotions,

- Learn to empathise with others.
- Develop high self esteem.
- Self awareness.
- Motivation.
- Social skills.

Hon. Pankaj D. Veer
Chairman

School Managing Committee
Brighton World School

MESSAGE FROM PRINCIPAL DESK

Dear all I take immense pleasure in presenting before you "BRIGHTONITE" 2024-25, Volume IX . I am very fortunate to work with such dedicated, innovative and caring staff members, parents and students. I find each day an adventure filled with new experiences, learning for all, and a chance to constantly widen our horizons. It always gives me a great pleasure to see the sea of smiling faces of children and I must admit that on many days it is the students who make my day a little brighter. the growth of each individual student is our focus. We recognize that as we 'work together and learn together' students will be best able to achieve their potential.

Our curriculum and practices are consistently reviewed to ensure that we are following the most updated best practices, meeting all regulations, and addressing the future needs of our students. Our staff consistently follows current trends and after brainstorming over the best plan of action to incorporate those trends, we zero in on the ones that are most appropriate to our classrooms. The system of education has become so dynamic that it is no longer enough to connect the dots, we need to think out of the box and think beyond a pattern.

Dr. Ritu Thakur and Ms. Prerna Bonde from Brighton World School attended a comprehensive training session on AI, Coding, and Robotics at The Park, New Mumbai. The workshop aimed to equip educators with advanced skills and insights to integrate these emerging technologies into the classroom effectively.

Maha Parinirvan Din

In a respectful school assembly, we commemorated Maha Parinirvan Din for Dr. B.R. Ambedkar, honouring his profound contributions to social justice and equality. Students participated in discussions on his visionary leadership and teachings. The assembly aimed to instill values of justice and inclusivity, fostering awareness and appreciation for Dr. Ambedkar's enduring legacy among the student body.

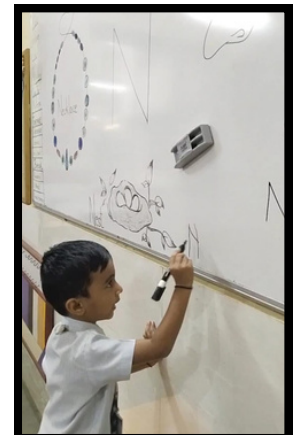

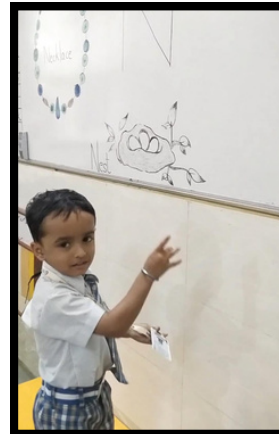

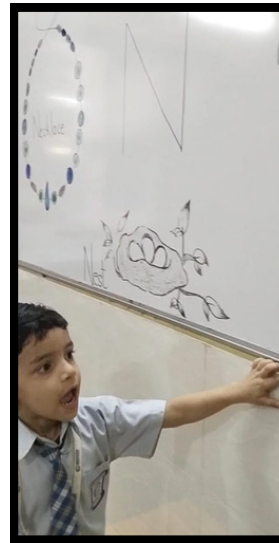

Grade- *Nursery* ✨*

1. Language and Communication Skills:
Children develop speaking skills by naming pictures or engaging in discussions about the images. Promotes early literacy by encouraging interaction with letters and sounds.

2. Engagement and Enjoyment in Learning:
Visual learning keeps young learners entertained and engaged, making the process enjoyable and interactive. Reduces the pressure of rote learning by incorporating play-based methods.

CRC Science Exhibition

Brighton World School is proud to announce that our student participated in the Cluster Resource Center (CRC) Science Exhibition, showcasing innovative ideas and creative thinking. The project reflected their deep understanding of scientific concepts and their application in solving real-world problems.

We are thrilled to share that Brighton World School has secured the Second Prize at the CRC Science Exhibition! Mast. Nikunj Prasad student of Grade VII. His achievement reflects the hard work, innovation, and scientific curiosity of students and mentors.

The project showcased not only scientific knowledge but also a vision for creating solutions that can positively impact society. This recognition inspires us to continue fostering creativity, critical thinking, and a love for science among our students. Congratulations to our young scientists for making us proud!

Pink Day Celebration (Pre- Primary Section)

"Pink Day Celebration"

And

"Show & Tell Activity"

- 1. Color Recognition and Association:**
Children will identify and recognize the color pink in their surroundings.
Develop an understanding of objects, fruits, flowers, and items associated with the color pink.
- 2. Fine Motor Skills Development:**
Enhance fine motor skills through activities like coloring, crafting, and painting using pink materials.
- 3. Social and Emotional Development:**
Foster collaboration and sharing during group activities and games related to Pink Day.
Build confidence as children participate in activities such as show-and-tell, dressing up, or performing related to the theme.
- 4. Language Development:**
Learn new vocabulary related to the color pink (e.g., rose, flamingo, cotton candy, etc.).
Improve communication skills by describing their pink outfits or the objects they brought for the celebration.

KALYAN RUNNERS

OLYMPIAD EXAM

The school organized the National Cyber Olympiad (NCO) exam, providing students with an opportunity to test their general knowledge and critical thinking skills. Participants demonstrated their proficiency in subjects like computer and technology. The event encouraged healthy competition and a quest for knowledge among students. It also helped in identifying and nurturing talent in various academic disciplines, fostering a culture of intellectual curiosity and excellence.

ASHWAMEDH (NAVARASA)

Brighton World School had a wonderful annual day celebration! Annual days are often marked by performances, award ceremonies, speeches, and various activities that showcase the talents of students and highlight the achievements of the school year.

CHRISTMAS CELEBRATION

The school radiated festive joy during the Christmas celebration, a delightful event filled with warmth and merriment. Students adorned in vibrant attire. The halls echoed with laughter as Santa Claus distributed gifts, spreading cheer. The celebration extended beyond festivities, emphasizing values of compassion and sharing. Decorated Christmas trees and creative displays enhanced the festive spirit, leaving an indelible mark on the school community, fostering unity, and creating lasting memories of joyous togetherness.

CHRISTMAS CELEBRATION

The Christmas celebration for our pre-primary section was a magical affair, brimming with joy and innocence. Little ones, dressed as Santa's helpers and angels, participated in festive activities like carol singing and a lively nativity play.

The air buzzed with excitement as Santa Claus made a special appearance, bringing smiles and gifts. Creative crafts and festive decorations adorned the classrooms, creating a festive wonderland for our youngest learners. This celebration not only marked the joy of Christmas but also fostered a sense of community and shared happiness among the pre-primary students.

Brighton World School's annual event Ashwamedh 2024 captivates with nine rasas

Brighton World School celebrated its annual Ashwamedh 2024 event, a vibrant showcase of student talent and creativity. The event, held at the school's outdoor arena, featured nine distinct Rasas (moods) performed by students, each representing a different emotion and cultural heritage. The performances were highly praised by the audience, including parents, teachers, and community members.

The event was presided over by the school's Principal, Dr. Manoj K. Patil, who highlighted the students' dedication and efforts. The school's management and staff provided excellent support throughout the event, ensuring a smooth and memorable experience for all participants.

The annual event was also attended by the Deputy District Officer, Mr. J. P. Thakre, and the District Education Officer, Mr. S. S. Patil, who commended the school's commitment to holistic education and the students' exceptional performance. The event was a testament to the school's dedication to providing a high-quality education and fostering a love for learning among its students.

Its My **BIRTHDAY !!!**

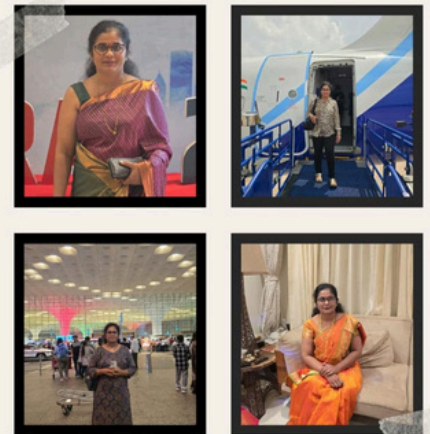

The Management and the school has taken an initiative to celebrate students and staff birthday to encourage them and to make them feel special and loved.

Its My BIRTHDAY !!!

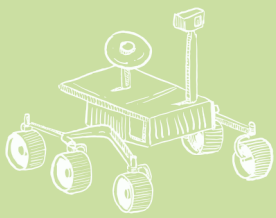

*Wishing you a day as
remarkable as your impact.*

December 01

*May this year bring you
immense joy, good health, and
continued success in your
mission to transform lives
through education.*

Robotics Evolution

In the realm of science, the growth of robotics has been transformative, ushering in a new era of exploration, efficiency, and innovation. Over the past decades, robotics has expanded its influence across various scientific disciplines, from space exploration to medical research.

In space exploration, robotic systems have played a pivotal role in missions to distant planets and celestial bodies. Rovers like NASA's Curiosity have navigated Martian terrain, conducting experiments and sending valuable data back to Earth, expanding our understanding of the Red Planet. In the field of medicine, robotic-assisted surgery has become increasingly prevalent, allowing for precision and minimally invasive procedures, ultimately improving patient outcomes.

Moreover, the integration of artificial intelligence (AI) with robotics has propelled advancements in autonomous decision-making and problem-solving. This synergy has led to the development of intelligent robotic systems capable of adapting to dynamic environments and performing complex tasks with unprecedented accuracy.

As the field continues to evolve, the growth of robotics in science holds the promise of further breakthroughs, driving progress in exploration, healthcare, and beyond. The collaborative efforts between humans and robots are reshaping the scientific landscape, opening up new possibilities and pushing the boundaries of what can be achieved in the pursuit of knowledge and discovery.

Mst. Vedant Jadhav
Grade :- X

अद्भुत मुस्कान लिए

शांतता में पूर्णता का विचार लिए,
हर बीते शाम के साथ मन में
दृढ़ विश्वास लिए,
इस दौड़ भरे जीवन से थक कर चुप जब तुम खुद से
मिलती हो,
तमाम सैलाबों को खुद में शांत किया मौन धारण किया जब
तुम चलती हो,
हर दिन की थकान के बाद नई सुबह नए विचार लिए जब
तुम फिर लड़ने निकलती हो तब,
तुम नारीवाद का सही चित्रण करती हो।
जब तुम आधुनिकता के साथ संस्कृति को लेकर चलती हो
तब तुम नारीवाद को नया रूप देती हो।
तुम रोने की जगह जब लड़ना सिखाती हो, जब तुम हारने
की जगह जितना सकती हो,
जब तुम कठिन चढ़ान देख घबराती नहीं,
तब तुम नारीवाद की नई परिभाषा लिखती हो।
कुछ गहन सोचने के बाद दिनभर लड़ने के बाद जब तुम
अपनी वही मुस्कान लिए खिलकर हंसती हो तब तुम एक
नए नारीवाद बात का अद्भुत सौंदर्य लिखती हो।

Ms. Monika Pandey
(Assistant Teacher)

GUIDELINES TO PARENTS AND GUARDIANS

For parents of CBSE Grade 10 appearing students, here are some guidelines to support your child during this crucial academic year:

1. Establish a Supportive Environment:

- Create a quiet and dedicated study space at home.
- Ensure that there are minimal distractions during study hours.
- Encourage a positive and stress-free atmosphere at home.

2. Effective Time Management:

- Help your child create a realistic study schedule that includes breaks.
- Prioritize subjects based on the exam schedule and difficulty level.
- Teach them the importance of sticking to deadlines.

3. Regular Communication with Teachers:

- Stay in touch with teachers to monitor your child's academic progress.
- Attend parent-teacher meetings to discuss your child's strengths and areas of improvement.

4. Encourage Healthy Lifestyle Choices:

- Ensure your child gets adequate sleep, as it is crucial for concentration and memory.
- Promote a balanced diet to support physical and mental well-being.
- Encourage regular physical activity to relieve stress and improve focus.

5. Provide Emotional Support:

- Be a source of encouragement and motivation for your child.
- Discuss any concerns or fears they may have about exams.
- Celebrate small achievements to boost their confidence.

6. Technology Use:

- Monitor and limit screen time, especially on social media platforms.
- Encourage the use of educational resources online to enhance learning.

7. Practice Past Papers and Sample Papers:

- Help your child practice solving past papers and sample papers.
- This not only familiarizes them with the exam pattern but also improves time management.

8. Balance Extracurricular Activities:

- While studies are a priority, allow time for extracurricular activities that your child enjoys.
- Balancing academics with hobbies helps in overall development.

9. Stay Informed about Exam Details:

- Keep track of important dates, such as exam schedules and registration deadlines.
- Ensure your child has all the necessary materials and information for the exams.

10. Open Communication Channels:

- Create an open dialogue where your child feels comfortable discussing academic concerns.
- Provide guidance without unnecessary pressure and emphasize the importance of effort over perfection.

Remember, your support and encouragement play a significant role in your child's success. By following these guidelines, you can contribute to a positive and focused approach for your child's CBSE Grade 10 exams.

Mahatma Gandhiji Words of Wisdom

“

"Where there is love there is life."

Explanation:

Love, according to Gandhi, is a powerful force that gives life meaning and purpose. It is the foundation for positive change and harmonious living.
