MESSAGE FROM HON. CHAIRMAN

Dear Parents, Students, and Well-Wishers,
Greetings!

As we embark on another enriching academic year, I extend my heartfelt appreciation to all stakeholders of Brighton World School. The month of June marked a dynamic and purposeful beginning. With the enthusiastic return of our students, the vibrant energy within the school was truly infectious.

I am proud to note that our educators have begun the year with immense dedication, planning, and innovation. From meticulously conducted orientation programs and theme-based assemblies to effective classroom engagements, every step has been aligned with our mission of nurturing excellence with values.

The successful implementation of foundational and tech-integrated learning tools across various grades reflects our unwavering commitment to holistic education. I especially commend the school leadership team for ensuring that student well-being, academic rigour, and co-curricular vibrancy move in tandem.

Let us continue working in close collaboration to create an ecosystem where every child feels safe, confident, and inspired to learn. Your continued support and feedback fuel our growth, and I look forward to yet another year of achievements and celebrations together.

Mr. Pankaj D. Veer

Chairman

School Managing Committee
Brighton World School

Nurturing Minds with Purpose and Integrity

Dr. Vaishali Veer Madam
Education Officer

It gives me immense pride to witness the steady and progressive growth of Brighton World School in both scholastic and co-scholastic domains. The school's unwavering commitment to academic excellence, value-based education, and 21st-century learning skills is truly commendable.

Brighton World School is not just a place of learning but a nurturing ground for holistic development. The thoughtfully planned curriculum, coupled with innovative teaching methodologies, ensures that each child becomes a confident, responsible, and compassionate individual.

I would like to extend my heartfelt appreciation to the school leadership, dedicated educators, and enthusiastic students for their collective efforts in fostering a culture of curiosity, creativity, and character.

Let us continue to empower young minds to become global citizens who lead with purpose and integrity.

MESSAGE FROM PRINCIPAL DESK

Dear Parents, Students, and Readers,
Greetings from Brighton World School!

The month of June marked a new beginning filled with energy, enthusiasm, and a renewed commitment to excellence. As we welcomed our students back after the summer break, it was heartening to witness their excitement and readiness to learn.

The academic session began with smooth transitions, structured routines, and creative classroom setups to make learning joyful and engaging. Our team of dedicated teachers worked with great passion to create a nurturing environment that fosters holistic development.

June also saw vibrant celebrations, value-based assemblies, and interactive activities that encouraged participation, teamwork, and self-expression among students. These initiatives reflect our continuous effort to blend academics with life skills and character-building.

We remain committed to providing quality education in a safe, inclusive, and inspiring space. I thank all parents for their consistent support and trust in us. Together, let's create a year full of growth, learning, and memorable moments.

BACK TO School

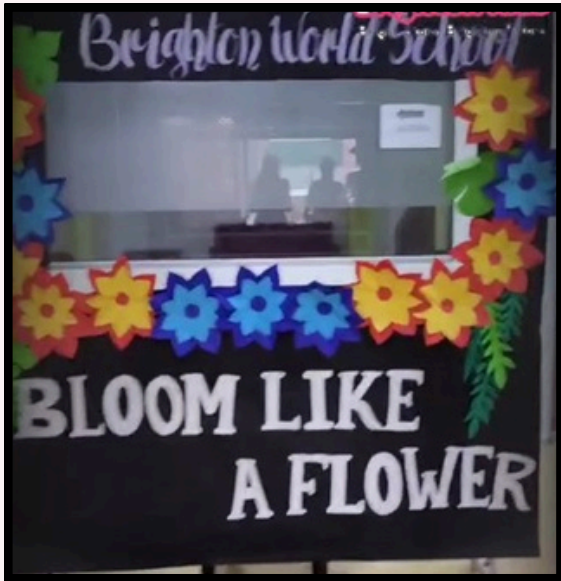

Welcome Back to School Brighton World School!
We're thrilled to see you all again! As we embark on this new academic year, we're excited to share with you the many exciting opportunities and experiences that await us. Before we dive into the school year, let's take a moment to reflect on the importance of community, collaboration, and resilience. As we come together as a school family, we're reminded that each one of us brings our unique strengths and perspectives to the table.

Back to
School

1 Day of School Brighton Kids

The first day of school was a day filled with excitement, smiles, and a little nervousness too! Our tiny tots walked in with their colorful bags and shining eyes, ready to begin a new journey. Teachers welcomed them warmly with balloons, songs, and fun activities.

Children enjoyed rhymes, danced to cheerful music, and explored their beautiful classrooms. They made new friends, met their loving teachers, and shared their favorite toys. The day was full of laughter, learning, and lots of happy moments.

Our School Visit

We began the tour from the school entrance, where students admired the beautiful campus and garden. Their eyes sparkled with excitement as we moved to different areas like the classrooms, library, computer lab, science lab, staff room, and the school office.

Each section had something to teach. In the library, students learned about how books are arranged and how they can borrow books to read. In the computer lab, they were amazed to see all the computers and were eager to learn how to use them. The science lab sparked curiosity as I explained the use of various instruments and models.

As we visited each area, I explained its purpose and importance. The children asked questions, explored freely, and listened carefully. It was a joy to see them so engaged.

The tour ended with a short discussion in the school hall, where students shared what they enjoyed the most. Most of them loved the library and the computer lab the most!

This simple visit was not only informative but also helped the students feel proud of being part of Brighton World School. It strengthened their bond with the school and taught them to respect and take care of their learning spaces.

World Environment Day

On the occasion of World Environment Day, the students of Brighton World School came together to celebrate nature and show their love for the environment. This year's theme was "Restore Our Earth", and our school took a green step towards it by organizing a sapling plantation activity.

The celebration began with a short speech about the importance of protecting our environment. Teachers explained how trees help us in so many ways – by giving us fresh air, shade, fruits, and maintaining balance in nature.

The children also made posters and slogans like "Plant Trees, Save Earth" and "Green Earth, Clean Earth" which were displayed in the school corridor.

Father's Day Celebration

At Brighton World School, Father's Day was celebrated with great love and enthusiasm by our little stars from Pre-primary to Grade 2. The celebration was a heartwarming tribute to the superheroes in our lives – our fathers!

Children expressed their love through handmade cards, songs, dances, and adorable messages. Some shared stories and memories about their dads, bringing smiles and happy tears to everyone around. Special bonding activities were also organized, where children and fathers participated together, creating unforgettable moments.

It was a day full of emotions, laughter, and joy – reminding us how important and cherished our fathers are in our lives.

FATHER'S DAY CELEBRATION

A father's love is the first gift we ever receive today and always.

www.brightonworldschool.in

Father's Day Celebration

🎉 Father's Day Celebration at Brighton World School 🎉

"A father's love is the silent strength that builds the foundation of a child's future."

We are delighted to share the joyful glimpses from our Father's Day celebration held at Brighton World School. The event was filled with laughter, emotions, and unforgettable moments as our students celebrated the heroes of their lives – their fathers.

From energetic dances to emotional freeze moments, every second captured the warmth of this special bond. 🧡🌟

These videos are more than just memories — they are a reminder of how small gestures of love make a big difference in a child's heart.

Meeting Section

Orientation Day

Orientation Day at Brighton World School was a memorable event filled with excitement and enthusiasm. It marked the beginning of a new academic journey for both students and parents. The program began with a warm welcome by our Principal, followed by an introduction to the school's vision, mission, and values.

Teachers introduced themselves and shared insights about the academic curriculum, co-curricular activities, and the overall learning environment. Interactive sessions and fun activities helped students feel comfortable and excited about their new school.

The day served as a perfect platform to build a strong connection between the school, students, and parents, laying a strong foundation for the year ahead.

Exam Committee Meeting

The committee also emphasized the importance of maintaining confidentiality, punctuality, and adherence to the evaluation criteria. The members shared valuable inputs to streamline the exam process and uphold the academic standards of the institution.

The meeting concluded with a collective commitment to conducting exams in a transparent and stress-free manner for students. It was a productive session fostering collaboration and academic excellence.

Staff Meeting

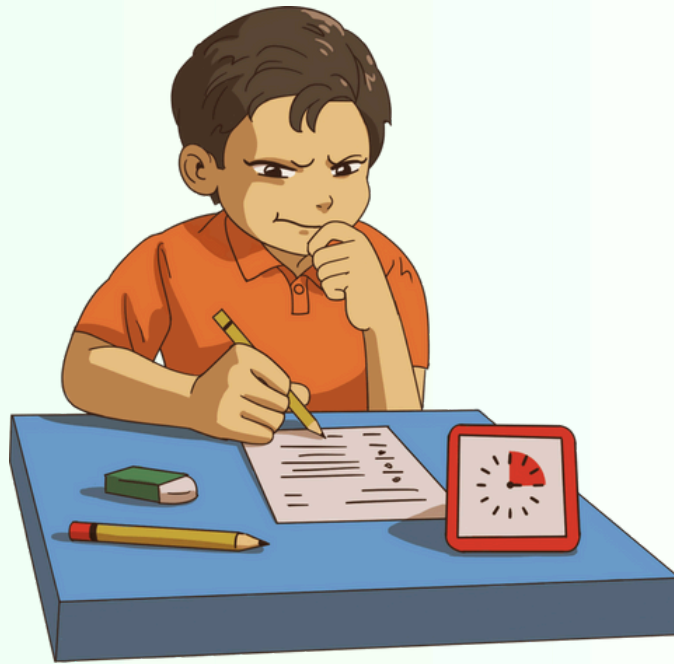

A regular staff meeting was conducted to discuss matters related to new admissions and other academic responsibilities. Key points included planning for smooth onboarding of new students, and updates on curriculum execution.

Sakhi Savitri & Vishakha Committee Meeting - A.Y 2025-26

The meeting for the Sakhi Savitri Committee (for girl student welfare and empowerment) and the Vishakha Committee (for safety and prevention of harassment) was successfully conducted on 21st June 2025 at the Brighton World School

Competitive Exam Section

Essay Writing Competition for International Yoga Day

Brighton World School successfully conducted an Essay Writing Competition in celebration of International Yoga Day. The event aimed to promote awareness about the importance of yoga in daily life and encourage students to express their thoughts creatively. Sharing some wonderful glimpses of our young minds putting pen to paper, reflecting on balance, wellness, and inner peace.

Maths Quiz Competition

1. Strengthen Basic Concepts

Help students revise and reinforce core math topics like numbers, shapes, and operations.

2. Develop Logical Thinking

Encourage critical thinking and problem-solving skills through fun and challenging questions.

3. Boost Confidence

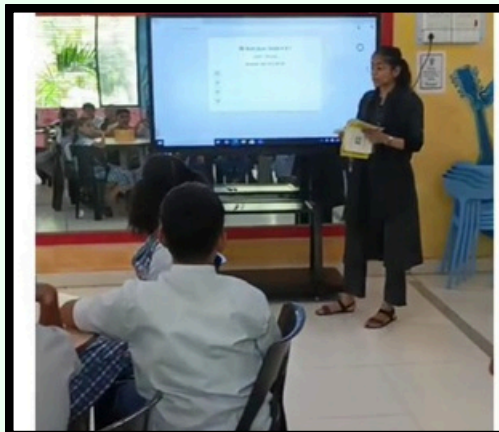

Provide a platform for students to showcase their knowledge and build self-esteem.

4. Encourage Team Spirit

Promote cooperation and teamwork when participating in groups or pairs.

5. Make Learning Enjoyable

Turn classroom learning into a fun and engaging experience with interactive quizzes.

Workshop on Homi Bhabha & Competitive Exam

A guidance session was conducted for Grades VI & IX in association with Physics Wallah at Brighton World School. Students received valuable insights into exams like Homi Bhabha, NTSE, and NSEJS, along with tips on syllabus, preparation, and concept clarity. The session was interactive and motivating. Grateful to Physics Wallah for this enriching opportunity!

Activity Section

Handprint Activity (Nursery Kids)

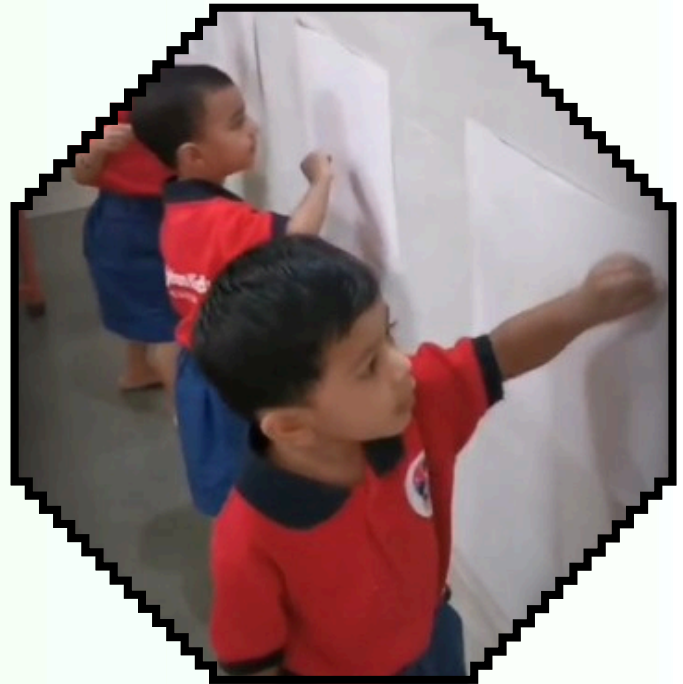

The tiny artists of Nursery added a splash of colour to the day with a fun-filled Handprint Activity! Using bright paints, our little ones dipped their hands and stamped them on paper, creating beautiful patterns and memories.

This activity helped children explore textures and colours while enhancing their motor skills. The joy on their faces as they saw their colourful handprints was truly heartwarming. It was a wonderful blend of creativity, learning, and fun!

At Brighton World School, every small hand is creating big smiles and bright futures!

Scribbling Fun - Playgroup Activity

Scribbling Fun – Playgroup Activity

Our tiny tots from Playgroup had a wonderful time exploring their creativity through a fun-filled scribbling activity! 🎨

It was a delight to watch their little hands in action as they freely expressed themselves on paper with colors and joy.

"Standing Line" with Clay Moulding

Nursery Activity

1. Fine Motor Development:

Children will strengthen fine motor skills by rolling and shaping clay into thin, straight vertical (standing) lines.

2. Tactile Recognition of Line Shapes:

Children will recognize and understand the concept of a standing line through hands-on clay moulding activities.

3. Visual and Spatial Awareness:

Children will observe and differentiate between standing, sleeping, and slanting lines made with clay.

4. Sensory Engagement:

Children will actively engage their senses (touch, sight) in learning through clay play, enhancing memory and understanding of line concepts.

5. Confidence in Pre-Writing Skills:

Children will build early confidence in writing through playful, structured clay moulding tasks related to line formation.

Basics Shapes Activity

Our little learners explored the magical world of shapes through engaging hands-on activities.

Through playful learning, our Nursery stars are building strong foundational concepts in a joyful and meaningful way.

Sand Tracing Activity

The Sand Tracing Activity conducted for our Pre-primary students was a fun-filled sensory learning experience! Tiny feet and curious hands explored the soft texture of sand while making exciting patterns and tracks using their fingers, toy animals, and objects.

Children enjoyed creating footprints, handprints, and shapes, sparking their imagination and enhancing their fine motor skills. Through this playful activity, they also developed a deeper understanding of texture, shapes, and movement.

Robobox Activity

The Robobox Activity was an exciting and engaging session conducted to spark curiosity and creativity among our young learners. This hands-on workshop introduced students to the world of robotics and STEM (Science, Technology, Engineering, and Mathematics) in a fun and interactive way.

Children got the opportunity to build basic robots using kits that included motors, sensors, and other electronic components. They learned the concepts of motion, programming logic, and teamwork while assembling their own robots.

The activity not only enhanced their problem-solving and critical thinking skills but also helped them explore future-ready technologies. The joy and excitement on the students' faces were truly a testament to the success of this event.

Celebrating Success of Our Grade X Toppers

A special felicitation ceremony was organised by Rutu Express on 21st June at 4:00 PM at Rutu River View Office Hall, Adharwadi, Khadakpada (W), Kalyan, to honour the outstanding achievements of our Grade X Top 3 Toppers from Brighton World School:

- 🏆 Mast. Vedant Jadhav
- 🏆 Mast. Shlok Rai
- 🏆 Mast. Kabir Dubey

Congratulations!

International Yoga Day Celebration

Brighton World School joyfully celebrated International Yoga Day with great enthusiasm and active participation from students and staff. The event began with a brief introduction to the importance of yoga in daily life, followed by a guided session of asanas, pranayama, and meditation.

Students joined in performing various yoga postures, promoting physical and mental well-being. The teachers also actively participated, setting an example for students on the significance of maintaining a healthy lifestyle.

The event successfully instilled awareness about the benefits of yoga and inspired everyone to incorporate it into their daily routine for a balanced and disciplined life.

Inspection

30-Day Work Report Inspection
We were honoured to have Dr. V. S. Lagashetty Sir (Academic Director), Mr. Suresh Mali Sir (SSPM Representative), and Ms. Trupti Madam (SSPM Representative)visit our school for the inspection and review of the 30-day work report.

Their valuable observations and suggestions were noted with great respect. The visit provided us with insightful feedback that will further strengthen our academic planning and execution.

Thank you to all the staff members for their cooperation and commitment in presenting the progress made so far.

Sharing a few glimpses from the inspection day.

Training Section

Hindi Workshop

Teachers from Brighton World School recently attended an enriching Hindi Workshop held at B.K. Birla School. The session served as a valuable platform for professional growth, where educators explored innovative strategies to make Hindi teaching more engaging and effective.

Through interactive discussions and resource sharing, the workshop enhanced participants' understanding of language pedagogy, classroom techniques, and creative approaches to connect with students better. It also encouraged collaboration and the exchange of best practices among schools.

The Role of AI in Teacher Training & Faculty Development

✨ Heartiest Congratulations! ✨

We are immensely proud to share that Dr. Ritu Thakur Ma'am has had her research paper published in the prestigious UGC's International Multidisciplinary Research Journal! 🎉

📝 Title of the Paper: "The Role of AI in Teacher Training and Faculty Development"

This remarkable achievement is a reflection of her dedication to advancing educational practices and embracing innovative technologies in education. Her insights on the integration of Artificial Intelligence in teacher training will surely inspire many in the field of education.

👏 Heartfelt congratulations, Ma'am, on this well-deserved recognition!

Life Skills Training

Brighton World School Teachers Attend Workshop at Tilak Public School

Brighton World School takes pride in the continuous development of its educators. Our dedicated teachers recently participated in an enriching Life Skills Training Workshop held at Tilak Public School. The session aimed to enhance essential life skills such as decision-making, emotional intelligence, communication, empathy, and stress management.

Through engaging activities, real-life scenarios, and interactive discussions, the workshop empowered teachers to foster these crucial skills not only in themselves but also in their students. The training emphasized the importance of cultivating a positive mindset, building resilience, and promoting a holistic approach to teaching.

Art & Craft Workshop

🎨 Ms. Mayuri Gawde, Art Teacher of Brighton World School, attended the Fevcreate Craft Workshop on 30th June at Morya One Hall, Kalyan (West). The hands-on session by Pidilite Industries Ltd focused on enhancing craft teaching skills using Fevicryl products.

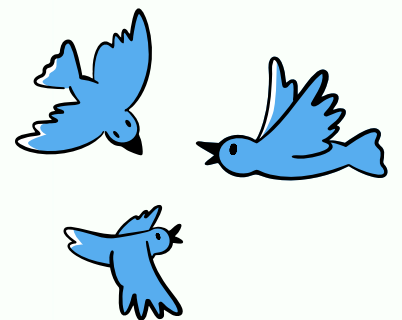

Blue Day Celebration (Brighton Kids)

The Pre-primary section of Brighton World School celebrated Blue Day with great excitement and enthusiasm. ❤️

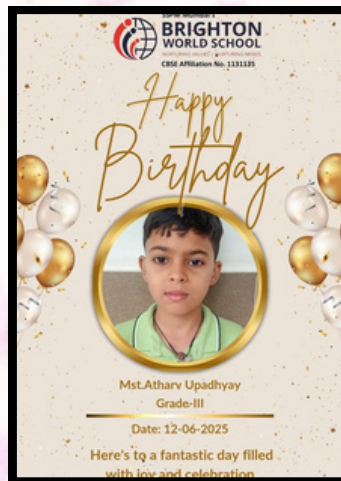

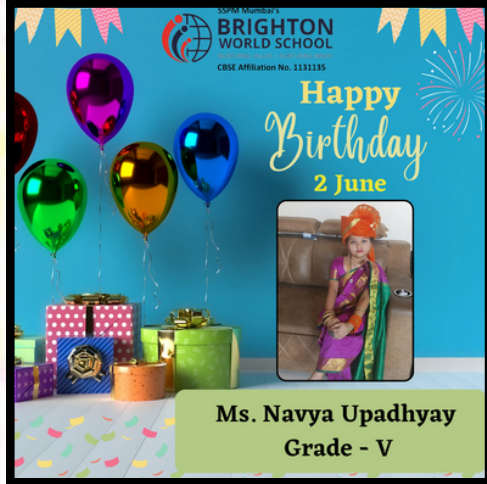

Children and teachers came dressed in various shades of blue, making the entire school environment vibrant and lively. The classrooms were decorated with blue streamers, and objects, creating a beautiful blue world for our little ones.

June Birthday Celebrations – Students & Staff 🎉

Brighton World School joyfully celebrated the birthdays of our dear students and dedicated staff members born in the month of June. The celebration was filled with smiles, laughter, and heartfelt wishes. A small cake-cutting ceremony and warm greetings made the day memorable for all.

Gross Motor Skills

Gross motor skills are the abilities required to control the large muscles of the body that are responsible for activities such as walking, running, jumping, and maintaining balance and coordination. These skills develop gradually from infancy through childhood and are essential for everyday physical activities and overall mobility. Gross motor development is influenced by factors such as age, environment, physical health, and opportunities for movement and play. Encouraging children to engage in physical activities like climbing, dancing, or playing sports helps strengthen these skills, supporting their physical health and fostering confidence in movement and exploration.

Mrs. Krishna Jeswani
(Pre-primary Coordinator)

New Education Policy: A Revolution in Education.

Ms. Madhurima Goswami
Asst. Teacher

The New Education Policy (NEP) 2020, introduced by the Government of India, marks a significant turning point in the country's educational landscape. After more than three decades since the last policy was framed in 1986 (later modified in 1992), NEP 2020 aims to overhaul the entire educational system and make it more holistic, flexible, multidisciplinary, aligned to the needs of the 21st century, and rooted in Indian values.

A Visionary Reform

NEP 2020 envisions transforming India into a global knowledge superpower. It is based on the foundational pillars of access, equity, quality, affordability, and accountability. With a strong emphasis on early childhood care, foundational literacy and numeracy, skill development, and lifelong learning, the policy promises inclusive and equitable education for all.

Key Highlights of NEP 2020

1. Structural Shift – 5+3+3+4 Model

The traditional 10+2 system is replaced with a 5+3+3+4 curricular structure corresponding to ages 3–18:

Foundational Stage (5 years): Includes 3 years of pre-primary + Grades 1–2

Preparatory Stage (3 years): Grades 3–5

Middle Stage (3 years): Grades 6–8

Secondary Stage (4 years): Grades 9–12

This structure recognizes the importance of early childhood education and aligns with global practices.

2. Mother Tongue as Medium of Instruction

NEP emphasizes teaching in the mother tongue or regional language at least up to Grade 5, and preferably till Grade 8. This supports better cognitive development and strengthens the learning foundation.

3. Holistic and Multidisciplinary Education

Students will no longer be restricted to choosing between science, commerce, or arts. A multidisciplinary approach allows the combination of subjects across streams. For instance, a student can study physics and political science together, promoting flexibility and creativity.

4. Focus on Skill Development

Vocational education will start from Grade 6 with internships. The policy integrates coding, design thinking, digital literacy, and life skills early in the school curriculum, preparing students for real-world challenges.

5. Higher Education Reforms

Establishment of Multidisciplinary Education and Research Universities (MERUs)

Single regulatory body for higher education (except law and medicine)

Abolition of MPhil programs

Common entrance exam for universities to reduce the burden on students

6. National Educational Technology Forum (NETF)

To leverage technology in education, NETF will be created to promote digital learning platforms, virtual labs, and smart classrooms.

7. Teacher Training and Recruitment

Teachers will undergo rigorous training and continuous professional development. Recruitment will be based on merit and aptitude, and teachers will be encouraged to use innovative and student-centric pedagogy.

Challenges Ahead

While NEP 2020 is ambitious and forward-looking, its successful implementation faces challenges such as:

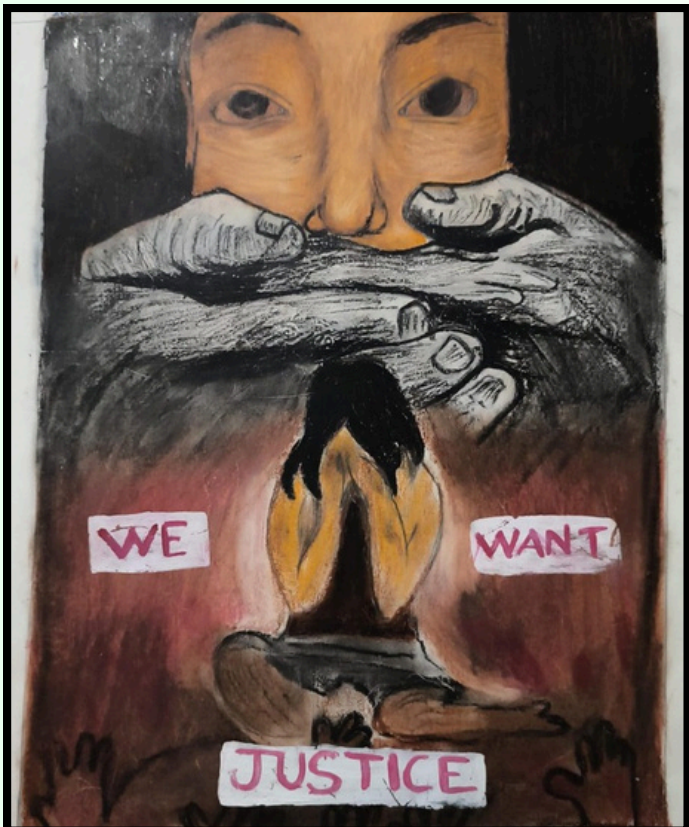

Ensuring equitable access in rural and economically weaker areas

Teacher readiness and upskilling

Adequate infrastructure for digital learning

Coordinated efforts across states and institutions

Guidelines to Parents & Guardians

- 1. Set clear rules and boundaries:** Establish guidelines for screen time, online activities, and device usage to promote a healthy balance between technology and other activities.
- 2. Monitor online activities:** Keep an eye on the websites, apps, and games that your child is accessing to ensure they are age-appropriate and safe.
- 3. Educate about online safety:** Teach your child about the importance of privacy, cybersecurity, and responsible online behavior to help them navigate the digital world safely.
- 4. Encourage open communication:** Create a safe space for your child to talk to you about their online experiences, concerns, and questions.
- 5. Lead by example:** Demonstrate responsible technology use yourself to set a positive example for your child.

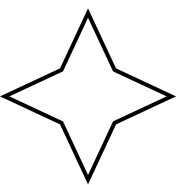

These guidelines can help parents and guardians promote a healthy and safe relationship with technology for their children.
